HOLDS WOMAN OLD AT FORTY. Chicago Priest Decides All Over That Age Shall Retire from Active

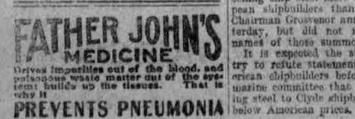

Membership of Sodality. Chicago, April 10.—Trouble has come to certain metabass of the Young La-dies' Sodality of Holy Name cathedral. It has been brought about by Rev. M. J. Fitzsimmon's interpretation of a clause in the constitution regarding the age limit of active members. Father ask for was a specific case. Fitzsimmons, after several consultations with Eather Code, director of the So-delity, and much hesitancy, has an nounced that all members of the Sodal-ity who have reached the age of forty cannot longer be considered young, and so shall ratire from active membership and be placed on the honorary list. To say that at least 100 of the 700 mem bers are indiguant is putting the truth mildly.

TEWKSBURY HAS VANISHED.

Financier, Indicted for Grand Larceny, Leaves Philadelphia.

Philadelphia, April 10.-Lewis Tawksbury, who is wanted in New York on a charge of grand larceny, and who has been ordered returned to the custody of the authorities of that city, cannot be found. A deputy sheriff and two detectives made an mavailing search for him all day Sunday, and the local police officials believe he has gone to Baltimore.

Tewksbury was recently arrested in this city at the request of the New York authorities and released on ball in the sum of \$1,000, pending habeas cor-pus proceedings. The court dismissed the application and ordered Tewkabury surrendered to the sheriff of New York, where Towkshury is under indictment on charges preferred by his former

TORTURED DAY

Rheumatism Crazes the Mind.

Widely Recommended to Cure It.

Every sufferer from Rheumatism who wants to be rid of the sleepless alghts, the noive binding, muscle twisting hours of pain, should get at once a bottle of Eric-O, the maryelous specific for the cure of Cheumatism. It matters little how log one has suffered from the trouble nor how intense the suffering ric-O will cure it. It cures by its direct action upon the blood, muscles and kidneys; it neutralizes the rheumatic acid poison and drives it from the system. Druggists and Physicians everywhere are recommending Uric O because they know that at has there has been a fermedy prepared which actually cures the trouble and curs it to stay cured it has stood all kinds of tests and never been found wanting. Uric-O is a cure for Rheumatism and for Rheumatism only. The Red Cross Pharmacy are agents for Uric-O in Barre and they would be glad to meet all sufferers from the disease and explain the action of Uric-O on all forms of Rheumatism. The Smith Drug Co. of Syracuse. N. Y., are the makers of Uric-O, and will be guid to send any rheumatically in the complete sending for samples.

one current flowing in the direction of Pompeii, while the other threatened to

It has since been reported that the lava reached the town, sweeping over the barriers that had been erected with th utmost energy by the military engineers. The latter, together with all the officials and the whole population, were compelled to abandon the town. The prisoner in the city jails were placed on boats and brought to Naples. No loss of life is reported at Torre Annunziata, but at San Guiseppe a church and several houses have been de-stroyed, apparently by an earthquake. Several persons were killed and injured.

The remainder of the populace fled in Ottajano, Poggiomarina, Somma and other towns and villages have been abanduned. Luva is flowing several feet deep through the streets at Ottajano, and many houses have fallen.

WHISKEY OR FOOD

Which Do You Take?

Some Interesting Remarks on the Sub-

That is the question."

To be strong and healthy or to be weak and sickly; which do you prefer? Health is a gem of priceless value and with health, strength can be acquired. Strong men and women are the Nation's pride and are responsible for the proper development of future generations. To become strong, one must have lots of good healthy flesh from which to develop muscle.

velop muscle. Persons leading sedentary lives and those employed in factories, mills, etc., do not have the natural strength which is possessed by those whose occupations keep them out of doors. Inactivity and nement indoors cause a relaxation of the muscles and consequently strength does not develop.

What shall be done for these people!

Many turn to stimulants and get tem-porary relief, but the effect is not last-ing. Others take the various remedies ing. Others take the various which are offered but these are worse which are offered but these are worse which are offered but these are worse than nothing. Most of them contain a large percentage of alcohol, and while they may produce an exhilarating effect at the start, their use works untold in-jury. They slowly but surely disarrange the system and when their use is dis-continued, the reaction sets in which leaves the victim in a condtion where it is necessary to use energetic measures. An examination of the tissues of the body will disclose the fact that the alcohol which is being taken into the alcohol which is being taken into the system inflames and consumes them, instead of healing and building them up. What shall be taken when your system is run down and your vitality is low! Obviously what is needed is a food that produces fat and repairs the wasted tissues; something that enriches the blood, and increases circulation; a build-

Such a food is Magee's (Malt) Emulsion. It is a combination of pure Nor-wegian Cod Liver Oil with syrupy, diasbad, because the roads were everywhere covered with voicanic ashes, but their majesties persisted. They were greeted enthusiastically wherever they were fat and makes fat in the body. The malt, according to physicians, is the highest form of food known, and the Hypophosphites are a tonic. You thus get a food, a medicine and a tonic combined. If you are run down Magee's get a food, a madicine and a tome com-bined. If you are run down Magee's (Malt) Emulsion will build you up just as surely as the sun will rise on the mor-row. It guards you against Colds, Grip and Pneumonia by putting your system in shape to withstand the ravages of winter weather. It builds up steadily

and holds all it gains for you.

Beware of the wine preparations of cod liver oil. They contain no oil and consequently cannot produce the fat which is desired, and the alcohol in them tears down instead of building up the tissues.

Remember Magee's (Mait) Emulsion is non-alcoholic; it contains no wine, no whiskey; it is food and food aone. It may be procured of E. A. Drown, Drug-gist, 48 North Main street, Barre. Vt.

London, April 10.—A despatch from Rome to the Exchange Telegraph com-pany says that the cruption has diminshed considerably.
The King and Queen of Italy had a

The King and Queen of Italy had a narrow escape while on their way to Naples. Immediately after the royal train had passed a certain spot the track was blocked by showers of ashes and cinders following a tremendous explosion in the volcano.

Naples is crowded and provisions have trebled in price. From Castellamare and other points on the southeast coast of the bay, fugities are arriving on gun carriages and by sea.

The steamship Princess Mafelds, with 1,000 persons on board, left Capri for Naples yesterday. When she was about a mile off the coast of the mainland the passengers were nearly suffected

the passengers were nearly suffocated by cinder and askes. The vessel dropped anchor, being unable to reach her des-

ICE-BOUND TILL JULY 25.

tination.

Whalers in the Arctic Cannot Be Relieved Until Midsummer.

Seattle, Wash., April 10 .- The Canad. ian mounted police have brought news that the ice-bound whalers at Herschel island are short of food and clothing, but have plenty of caribou meat. They will have no relief before July 25. The ast news from the whalers at Bailie island was in January, and at that time, island was in January, and at that time, they were reported safe. Amundsen's vessel is in good condition.

Harrison, the explorer sent by the British Royal Geographical Society, proceeded this winter with three Eskimos via Herschel and the Arctic coast to Baffin Land and Banks Land.

HOW TO SAVE MONEY

In these times when living expenses have increased from thirty to fifty per cent, it is unusual to hear of a standard remedy being offered at half price.
Yet that is the way D. F. Davis, the

popular druggist, is selling Dr. Howard's celebrated specific for the cure of dyspepsia and constipation. In addition to selling a fifty-cent bottle, containing a month's treatment of sixty doses, 26 cents, he gives his personal guarantee with every bottle he sells to refund the money if it does not give satis-

This unusual offer has brought hundreds of customers to his store in the last few weeks, yet out of the many bot-tles said, but one customer has asked to have the money returned. This was done without any questions, although Mr. Davis does not think the remedy

dened. Lava is flowing several feet deep through the streets at Ottajano, and many houses have fallen.

Lava Current 500 Feet Wide.

The latest reports from Pompeii state that a lava current, 500 feet wide and introductory offer, our readers can save all feet deep, is rapidly nearing that half the regular price of the specific.
